*Dear Friends,*

*I would like to take this opportunity to thank you personally for your generous donations and support for Greater Marlboro Programs, Inc. in past years. Your contributions allow GMPI to provide outstanding services to over 300 families and individuals in the Metro West area. I am pleased to be able to say that 86 cents of every dollar donated goes directly toward our programs and services.*

*There are two particular stories I want to share with you of individuals who have benefited from programs of GMPI that your donations have helped support.*

*First, there is Scott who beat the odds this past year and moved from one of our homes into his own apartment. It has been a goal of his for a long time and with the advocacy of the residential staff he succeeded.*

*Then, there is Kay, who prior to receiving services from GMPI had no social outlets and was very isolated from the community. After working with GMPI's Family Support and Social & Recreational Services for several months, Kay is now applying for housing for her own apartment. She is initiating social contact by joining the Social & Recreational activities supplied by GMPI, and has learned telephone skills she never had before. Kay also participated this past year in the GMPI's Cruise vacation.*

*As you can see, your contributions really do help change lives. As this year ends and we begin new challenges, please think of giving again to Greater Marlboro Programs, Inc. and accept our best wishes for a wonderful holiday season.*

*With High Regards and Sincere Appreciation,*
