GMPI opens new home

Greater Marlboro Programs Inc. recently held an Open House and tour of its new residential home on Sunshine Circle. In the photo above right, Carol Manne, at right, GMPI executive director, shows the highlights of the home's kitchen to Marlborough Mayor Nancy Stevens, center, and to Judith Butterworth-Kremer. A new wood stove, which will bring warmth to chilly fall and winter days, has been placed in the new home. In photo above left are

Jeff Tucker, president of the GMPI board of directors; Dave La-Bosiere, GMPI housing/facilities manager; and Craig Mayfield, a neighbor who attended the Open House.

Light refreshments were served at this July 30 event. Visitors met and chatted with neighbors, members of the GMPI board of directors, staff, and government and community partners.
