Coming in first in Forrest Memorial Road Race

Marlborough - Chris Green of Marlborough comes in first at the 24th Annual Forrest Memorial 5K Road Race Sept. 28. The race benefited Greater Marlborough Programs Inc. (GMPI) Social and Recreation Department. In 12 years, the road race fund has donated over \$185,000 to GMPI and completely funds several programs.

Also taking place was the second annual 1.5-mile walk for all children and adults with developmental disabilities.

Despite rain, more than 200 runners and walkers turned out for the events, which started and ended at Wayside Racquet and Swim Club. The race is held in memory of Jim Forrest, who was very active in Marlborough, serving as a city councilor, a founding member of the Boys & Girls Club, and a member of the Board of Directors of the Marlborough Recreation Department.
